

A Unique and very Special Gift

Treat yourself, a family member or that significant someone with a truly distinctive present. Ask about the New England Air Museum's VIP gift certificate, for a very personal and customized tour of the facility.

Included are several "behind the scenes" aspects of the museum. Possibilities are many for this tailored tour, such as a visit to the restoration hangar, entry into a cockpit rarely open to a visitor, and some "up close" looks from a perspective not usually seen by visitors.

For more information and to design the tour, contact: Jim Tomasek, at 860-623-3305 or jimt@neam.org.

Become a member of the Museum and enjoy the following

- Unlimited **free admission** to the Museum during regular business hours.
- Free admission to Museum special daytime events, such as **open cockpit days**
