

AUGUST 9-13, 2010

4U2C

**A WORKSHOP EXPLORING
CAREERS IN AVIATION AND
AEROSPACE ENGINEERING**

This is for **students ages 12-14** who know they like aircraft. They will identify their strengths through fun team activities, explore jobs in the industry, set short and long term goals, learn to overcome hurdles, and meet mentors who will guide them along the way. The workshop will run from **August 9-13, 2010**. Cost is **\$250**. Registration form is available from **Caroline d'Otreppe** at **(860) 623-3305 ext. 13**.
