Virtual Aviation Adventures Girl Scout Workshops

Join us for a virtual version of our popular Aviation Adventures Girl Scout Workshops! These fun-filled workshops offer Brownies, Juniors, and Cadettes an opportunity to discover the science of flight as well as learn about pioneering women in aviation through the museum's collection of historic aircraft. This program fulfills all requirements of the Brownie Fling Flyer Design Workshop.

Workshop Dates:

Saturday October 24, 2020

Saturday December 19, 2020

Workshop Information:

9:30am-12:00pm: Live Virtual Aviation Adventures Workshop on Zoom

- Participants will be emailed their Workshop Zoom link and password one week in advance.
- Scouts should complete the Pre-Workshop Activity included in the Aviation Adventures Workbook ahead of their workshop date. Instructions, materials, and the workbook will be mailed to scouts one month in advance of their workshop.
- A parent or guardian must participate in the workshop (i.e. be on camera) along with their scout in keeping with Girl Scout online safety and privacy policies.

Workshop Fees:

\$55 per scout fee includes the live Virtual Workshop, Pre-Workshop Activity Materials and Workbook, a special museum patch, as well as two complimentary admission passes to the New England Air Museum so scouts may visit the museum with a parent or guardian at a later date. Admission passes will be mailed after the workshop. These passes have no cash value and do not expire.

Registration:

Registration is limited to 15 scouts per workshop and the following information is required:

- Parent or guardian name, mailing address, email address, and telephone number.
- Scout name, level, and troop number.
- Payment in the amount of \$55 per scout via a credit or debit card.
