Help Us Tell Their Story!

The New England Air Museum is installing a new exhibit that will utilize imagery, original artifacts, and audiovisual material to tell the story of the famed Kosciuszko Squadron of the Polish Air Force and its successors.

With your support, we can build a lasting tribute to this brave group of aviators—one that will inspire and educate museum visitors for years to come.

To find out how you can help, email Renata Vickrey at vickreyr@ccsu.edu, or Ron Katz at rkatz@neam.org, or visit our webpage: www.neam.org/Kosciuszko.html
