

February School Vacation Week

February 16-24, 2019

Explore three exhibit hangars filled with over sixty historic aircraft and family-fun activities including:

- Climb-aboard experiences in historic aircraft
- Hands-on Build & Fly Challenges
- Interactive Flight Science Demonstrations
- Computerized Flight Simulators

Model Airplane Workshop

Monday February 18, 2019 10:00am-2:00pm

Build and fly balsa wood airplanes with help from our team of expert builders. This workshop is designed for visitors ages 3 and older, and there is a \$5.00 cost per model kit.

LEGO Flying Machine Contest

Tuesday February 19, 2019 10:30am-2:30pm

Back by popular demand! Youth ages 3-14 are invited to construct a flying machine using the Museum's collection of LEGOs. Winners will be awarded prizes in three age categories, and participants need not be present to win.

Foam Flyer Challenge

Wednesday February 20, 2019 10:30am-2:30pm

Are you an aerospace engineer? Find out by building and launching a foam flyer to take home.

Fun with Constellation Viewers

Thursday February 21, 2019 10:30am-2:30pm

Learn about the secrets of the night sky and make your own constellation viewer to take home.

Straw Glider Challenge

Friday February 22, 2019 10:30am-2:30pm

Learn the science of flight while building and launching straw gliders to take home.

All events and activities are included with general admission unless otherwise noted.
Events and activities are subject to change.
