

Women Take Flight

Saturday March 7, 2020 10:00am to 4:00pm

Celebrate women in aerospace, participate in hands-on STEM activities
Climb aboard historic aircraft, use flight simulators, and more!

Featuring Rebecca J. Waddington

Deputy Chief of Flight Operations
NOAA Aviation Operations Center

Commander Waddington made history in August 2018 when she was part of the first all-female flight crew to pilot a NOAA September 2019 as part of NOAA's first all-female three pilot flight team while flying reconnaissance missions over Hurricane Dorian. As a NOAA Commissioned Corps "Hurricane Hunter," Commander Waddington is passionate about serving her country and is proud to be an inspiration for women in aviation.
